100% of net proceeds from the show support Enterprise for High School Students, a nonprofit organization dedicated to helping San Francisco youth gain the skills they need to put them on a path to a fulfilling future. Enterprise helps level the playing field for the youth it serves by offering students the tools they need, including intensive workshops, pragmatic skills training, career exploration, a network of advisors and peers, a broad database of paid internships, a job bank, job shadows and college and career counseling.
